Welcome to the 2011 LLB Autumn Opportunity Sale. Everyone at LLB would like to invite you to our 3rd edition of this sale.

We think this is an awesome sale offering - great cows with tremendous calves at side, these are the very top end of our 2011 bull and heifer calves. We have changed up the format somewhat from previous years, we are offering a larger

number of females with bull calves at side. These young bulls and their mothers have just recently been pulled from pasture, they are fresh and ready to develop into very functional herd sires. If you are just starting in the Angus business we are offering females that will be a strong base to start from. If you have been in the business for years we are sure there is a "great one" in this line up to add to your herd.

This has been a near perfect growing season in East Central Alberta. Feed supplies are abundant throughout the prairies and the cattle market is strengthening every week. Yes things are finally good! This sale offering was selected with all of our customers in mind. We have chosen several ELITE DAM females and numerous show heifer and herd sire prospects for our pure bred customers. All bred females are mated as if we were keeping them ourselves, we are confident the resulting progeny will compliment any breeding program. Of course we are again offering a select group of commercial bred heifers bred to our own top calving ease, performance Angus bulls. A significant group of baldie bred heifers has also been added to the sale offering, they are a tremendous group be sure to check them out sale day.

Our cattle are managed in large groups, from calving until sale time. We care for them extremely well, but no animal is pampered at LLB. Our breeding philosophy is simple: acquire the best herd sires available, selecting for performance traits and thickness, while maintaining structural soundness and strong maternal traits. By following this philosophy we have been able to produce large sire groups that are uniform and very functional. The females in this sale offering are from the heart of our herd. As you go through this catalogue and footnotes you will notice many of these females are from cow families that have produced champions at Denver, Agribition, Farmfair and the World Angus Forum or our top selling March Sale Bulls or Heifers.

If you are unable to attend our sale in person, we are again offering our Sight Unseen Purchase Plan. We have tried to include as much information as possible in this catalogue. Pre-sale viewing of cattle is encouraged and Lee would be happy to assist with sale selections prior to sale day. Please feel free to contact us or any of our capable sales representatives to discuss your needs or questions.

We hope to see you Oct 28th and Oct 29th!

 Gridlock is a very impressive son of Grid Topper whose progeny are among the best born at LLB over the last three years. The top selling bulls and heifers in our last three sales have been sired by Gridlock. Again this year his progeny are all stamped with extra depth of body and structural correctness. A bonus feature of this sale offering is the sale of a maternal sister to Gridlock, the Lot 30 female and her stand out bull at side and a tremendous son is the Lot 31 herd bull, LLB Gridlock 5W, a bull used extensively here this summer.

 Owned with Remington Cattle Co. Old Post Bandolier is a powerful individual with extra body mass and excellent feet and legs. Genex leased Old Post to bolster their straight Canadian, total out cross semen inventory. Old Post daughters were among the top selling heifers last spring and fall, there is certainly show heifer prospects among his daughters in this offering. His first sons at LLB were very well received in our 2010 fall sale, one being an \$8500 bull calf to Tullamore Angus in Ontario and others recorded some of the top weaning weights of our 2010 calf crop.

**Selling as Lot 32** "The Answer 108U", a great son of Final Answer, was one of the top bulls on test a few years ago at Earley Bros in Ontario and has been used extensively since arriving at LLB. His sire descends from some of the most popular present day Angus genetics, representing the most proven calving ease and maternal traits available. A paternal sister to 108U was the \$7000 top selling heifer in our spring sale and his maternal brother is our new herd sire D.S. Marvel 901W.

 One of the influential members of LLB's prestigious herd sire battery is Tom Boy 509R. Tommy was the buzz at Agribition 2007 where an interest in this exciting straight Canadian bred bull sold for \$60,000. Not pampered Tommy has bred a tremendous number of females naturally in the past few years while maintaining his structural soundness and body condition. His progeny have moderate birth weights and are always among our top selling bulls and heifers. Tommy is the sire of LLB Casino 333W, a \$25,000 herd sire in use at LLB and Southland and LLB Tom Boy 821X, both young bulls whose progeny or service is featured in this offering.

 LLB Free Wheeler 268S was the \$15,000 top selling bull at the 2007 LLB Spring sale when purchased by Remittal Cattle Co. He was again offered at auction at the Remittal Dispersal Sale when LLB along with a progressive group of breeders purchased 268S for \$23,000. In his first show appearance he was crowned Agribition Reserve Champion Bull, he placed second in class to the eventual Grand Champion at Denver and he was most recently named Mature Champion Bull at the World Angus Forum. Note he is from the same cow family as the \$70,000 LLB 2S Grand Design 113U. His progeny in this sale offering are an exciting group of young herd sire prospects and impressive daughters.

 Limestone Marathon U073 was purchased by LLB from Limestone in Oklahoma. He is a full brother to Raven, a herd sire that has produced high selling females at Express Ranches, Limestone and Connelly Angus. Marathon was used extensively on heifers at LLB the past three breeding season, his first progeny where among the our top sellers last spring and included yearling bulls for \$5,000 and \$4,200 and a \$5000 heifer. Again in this fall sale offering his progeny and service are featured.

 Kodiak 9188 is a calving ease sire with excellent performance records. The outstanding dam of Kodiak 9188 is LLB Eulima 283R, a CAA ELITE DAM and maternal sister to the top selling female in our spring sale this year. A full brother to Kodiak 9188 was the lead off bull in Soo Line's second place pen of three bulls at Denver this year. He is proving to be one of best young herd sires in use at LLB, check out his sons and daughters sale day to see why.

Hot Rod 10T is a son of the 2003 Denver and North American Grand Champion from a stellar cow family at Locust Grove. The high selling female in the 2008 National Angus Sale was from a maternal sister of Hot Rod 10T. The 2011 Denver Grand Champion Bull was also a Gambles Hot Rod son. Sons and daughters of Hot Rod 10T in this sale offering may be his best progeny thus far.

 Mature weight - 3100 lbs at 7 years of age. Tex 56A is LLB's straight Canadian bred, long serving herd sire - in fact this marks the 20th consecutive year his progeny have been featured in LLB sales. He is proven to sire moderate birth weight calves that are highly productive, easy fleshing and fast growing and structurally correct. Tex 56A has out lasted many different fads in the Angus industry and he may be more influential and important now than ever before. A significant group of individuals in this sale offering have some influence of Tex 56A. One of the top selling bull calves in our 2009 fall sale was a Tex 56A son to Bandura Angus and again this past spring his sons are daughters were among the top selling sire groups.
